- Problem Solving
- Good Communication
- TeamWork
- Time Management

Sakshi Vijaykumar Muthiyan

Web Developer

About Me:

Highly motivated Fresh Graduate and Aspiring Web Developer with a strong foundation in frontend technologies and modern JavaScript. I recently completed my T.E. in Artificial Intelligence and Data Science from Jaihind college of engineering, kuran, near Junnar. Proven ability to learn new tools quickly, collaborate on group assignments, and build functional web applications. Eager to bring technical curiosity, dedication, and rapid execution to an entry-level development role.

Education:

Class	Percentage/SGPA
SSC	95.80%
HSC	64.83%
FE	8.14 SGPA
SE	9.14 SGPA
TE	9.19 CGPA
